How can I place orders?

- All orders under \$5,000 will be placed on the requestor's Pcard through Ferguson website under the business account you have set up.
- Orders over \$5,000 must be put on a requisition in TigerBuy. A Purchase Order (PO) will be sent to Ferguson.

When can I expect deliveries, and are there delivery charges?

All orders are received and processed at the local Ferguson branch. Shipments are made daily to Auburn University via the local Ferguson delivery truck. Orders for stocked material will be delivered to Auburn University on the next scheduled delivery truck. Non-stock material will be delivered as soon as it arrives at the local branch. Lead times for non-stock material can vary. Ferguson has 9 distribution centers and 13,000 branches to help reduce lead times from the manufacturer. Please contact the local branch for help determining lead times for non-stock material. Occasionally, non-stock material will be delivered via UPS, Fed-Ex, or another freight carrier to help expedite orders. There are no freight charges on standard deliveries to the University.
