With this notice and in accordance with ADPH's Rule 420-3-26.03(13), I am declaring that I am pregnant with an estimated conception date of _____(month and year only). I understand the radiation exposure limit set by Alabama Department of Public Health and Nuclear Regulatory Commission for embryo/fetus for the declared pregnant worker is 500 millirem for the entire gestation period (unless that dose has already been exceeded between the time of conception and submitting this letter). I also understand that meeting the lower dose limit may require a change in job or job responsibilities during my pregnancy.
