Are we required to purchase from the Preferred Vendor contract?

Yes, you are required to purchase from the Preferred Vendor Contract. This vendor has been designated as the "Preferred Vendor" for AU for this particular commodity as the result of a competitive bid process. In general, making purchases outside the contract shouldn't be necessary. We understand from time to time there may be a justifiable reason to purchase off contract through a different vendor. If that need arises, since you are potentially violating the bid law, please attach a note of justification to the voucher/purchasing card recon. In some cases, PBS may follow up with you, in other cases, the Preferred Vendor may follow up with you.

Please contact Christalyn Thomas in PBS at 334-844-3711 or send an e-mail to cmc0122@auburn.edu, if you have any additional questions.
