Commodity: Vehicle Leasing

Contract Details:

Procurement and Business Services is pleased to announce two (2) vendors that will provide Auburn University with vehicle leasing services. A multi-vendor contract was awarded to allow the University access to complete product lines, freedom of choice to match the need, and sufficient sources of supply in case of shortages. The two (2) vendors selected were based on a public RFP, in which all terms, conditions, and specifications were met or exceeded by both companies. The two (2) vendors listed below are considered our "Preferred Vendors" for all vehicle services.

Obtaining Quotes

For vehicle leasing services, departments will be required to get one quote from each of the vendors listed below. Prestige Leasing & Management must be utilized if needing a Ford F-150 or Jeep Grand Cherokee. Once the quotes have been obtained and reviewed, the department must use the lowest-priced vendor. When getting quotes, departments should make vendors aware of their own deadlines, whether it be for receiving the quotes or for receiving the vehicle.
