How can I place orders?

Medline

Orders must be placed through the TigerBuy punchout. All orders under or over $5,000 will be placed on the requestor's Pcard though TigerBuy.

You will no longer log into the Medline website and do not need to set up an account as all employees are set up in TigerBuy to use the punchout suppliers.

There is no minimum dollar amount for orders.

Henry Schein

If you don't have a current account with Henry Schein, please contact Chris Lengle to open an account. Once your account is created, we will give you access to your online account at www.henryschein.com that will show your discounted pricing and current product inventory status. If you need assistance navigating our website myself or a team member can do a walk-through of our website for you. You will have access to attach PO numbers or apply your credit card to your cart orders at checkout. No minimum for orders and all orders receives FREE shipping regardless of the dollar amount. The only time a shipping fee would occur is if you asked for white glove service for a larger capital item to be delivered.
If an order will exceed $4,999.99, a requisition will need to be prepared and approved.

When can I expect deliveries, and are there delivery charges?

Medline has next day delivery with 99% on time delivery of complete orders received before 1:00 PM CST. Shipping is free on orders over $150 and in stock in your local branch. Shipping fees may apply if shipped from another branch.

Henry Schein's primary objective in sourcing partners is to maintain control and ensure the highest quality products are distributed through our channels. Our quality management systems are aligned to FDA compliant practices ensuring proper monitoring for storage, transportation, and all necessary controls. Rely on Henry Schein to be just on time, during busy weekend sporting events or for demanding clinical needs. Henry Schein's 5 Mega Distribution Centers allows for greater control and stock efficiencies with 94% of customers serviced next day. For your orders, our closest and your primary warehouse is located in Jacksonville, FL with stocked items being delivered next day if they are ordered by 4pm with FREE shipping.
